Giving Program Description

The Terra Flow-Through Giving Program allows individuals to **donate for less cost** through investment in a Terra Flow-Through Limited Partnership. The Partnership is **expertly managed** by Cypress Capital Management Ltd. to provide attractive tax savings, donation tax credits and **tax-free growth**.

Individuals may donate their investment to **Terra's Donor Advised Fund (DAF)**, which provides a tax receipt and allows donors to direct all or a portion of their donation to their favourite charities. Any remaining balance continues to grow tax-free in the Terra Giving Fund, which can be given at a later date to the same or alternate charities.
